

PROGRAM DRAFTED BY SMALL GROUP OF PROGRESSIVES

Tentative Agenda Includes
Nine Proposals For
Next Congress.

TAXATION SYSTEM CHANGES SOUGHT

Revision Of Esch-Cummins
Act With Reduction In
Freight Rates.

Washington, Nov. 27.—Out of a series of conferences that are practically continuous on both senate and house sides of the capitol, there emerged today a tentative draft of a legislative program which the militant little progressive group in the new congress will endeavor to put through in the new session.

Foremost on the tentative agenda are proposed changes in the system of taxation with far-reaching benefits for wage earners and an almost complete revision of the Esch-Cummins act with a reduction in freight rates.

The program will not assume final form until after Senator La Follette, Republican of Wisconsin, leader of the group, recovers from his present illness. Other members, however, are meeting daily to discuss the proposed legislative program.

The tentative program includes:

- 1.—Revision of the Esch-Cummins act with probable restoration of rate-fixing powers to the interstate commerce commission and some action, tending to force a reduction in freight rates.

- 2.—Revision of income tax laws by reducing taxes on small incomes and increasing the taxes on large incomes; increases on inheritance taxes, and re-enactment of an excess profits tax.

- 3.—A proffer of aid to the administration in enacting all "satisfactory" farm legislation, with an effort to enact a wheat stabilization bill.

- 4.—Enactment of legislation curbing the powers of federal judges and providing that the United States supreme court can declare acts of congress unconstitutional only by a vote of six.

- 5.—Enactment of a constitutional amendment to start the terms of president and all members of congress on January 1, following their elections instead of on March 4, as at present.

- 6.—Enactment of a constitutional amendment abolishing electorates college and providing for a direct vote for president.

- 7.—Enactment of still other constitutional amendments, providing for abolition of child labor, and to prohibit the issuance of tax-free securities.

- 8.—Enactment of a soldiers bonus.
- 9.—Enactment of legislation providing for a degree of governmental supervision and control over coal and oil industries.

The progressives also are seeking some method of taxing stock dividends.

SITES FOR GOSHEN SCHOOL INSPECTED

School Board Considering
Sites Other Than In
Damascus.

Members of the board of education of Goshen township, Mahoning county, last Saturday viewed three possible sites for the proposed new high school to replace the one in Damascus.

Recent election voters of the school district voted favorable on a \$50,000 bond issue for a new school. Many are of the opinion that the new school should be erected on the five-acre site of the present Damascus school, instead of spending \$10,000 for a site elsewhere.

The site, on which the present school stands, when not used for educational purposes, is overgrown according to the deed, to the Society of Friends of Damascus, who donated the property in fee simple to the board of education for school purposes.

To buy another site and then lose the title to the present property, upon which a value of \$5,000 has been placed, would take \$15,000 from the building fund, it is contended. Therefore, many want the new school built on the present school property.

Plans for the new school have not been ordered but it is said the building will be built on the unit system, with a large auditorium on the first floor and with a community hall in the basement.

Selling Birthright Is Sermon Subject

"Selling Your Birthright" is the sermon subject announced for evening service Tuesday at the First Friends church.

Monday night's service was one of the best of the series, at which the Rev. C. F. Haworth, preached on "The Double Portion of the Holy Spirit." There were seekers at the altar at the close of the sermon.

Friday evening will be Sunday school night, when the pastor requests that classes come and sit together.

At 7 a. m. Thursday a prayer and praise service will be held.

Wants To Go To Jail With Husband

Mrs. Charles L. Craig

Mrs. Charles L. Craig, wife of the controller of the city of New York, who is under sentence to serve 60 days in the Essex county jail, Newark, N. J., for contempt of court in criticizing the actions of Federal Judge Julius L. Mayer, declared to reporters she would make every effort to gain permission to accompany her husband to jail. Failing that, she will take a cottage convenient to the jail to be near him.

Golden Rule Sunday Will Benefit Orphans

Salem People Asked To Provide Same Menu Approved By
Near East Relief For Orphans And To Donate
The Saving As a Thank Offering.

Sunday is International Golden Rule Sunday and it will be observed by at least one of Salem's churches, the First Presbyterian.

The Golden Rule Sunday originated at an international conference in Geneva, Switzerland, last September, when representatives of 23 philanthropic organizations from 14 countries were facing the perplexing problems of the Near East.

The proposal went forth that Sunday, Dec. 2, be observed as International Golden Rule Sunday for the strengthening of international friendship and co-operation and the practical application of the principles of the Golden Rule to at least some of the world's problems.

The suggestion at once met with the hearty support of President Coolidge, of former President Wilson, Secretary Hughes and leading officials throughout the United States. It is proposed to make the immediate beneficiaries of this day the orphaned children of the Near East. They are practically all under 16 years of age. Eighty-one per cent are under 14 years and 61 per cent are under 12 years of age.

On this Sunday all persons who disposed to make a practical application of the Golden Rule in their homes are requested to provide for their Sunday dinner approximately the same menu that is approved and provided when funds permit, by Near East relief for the tens of thousands of these orphaned children in their temporary orphanage homes in the Near East.

The difference between the cost of the usual Sunday dinner and the less expensive orphans' menu is to be given as a thank offering or as the basis for a most substantial contribution for the purchase of food for the orphans during the remainder of the year.

In accordance with the approval of President Coolidge, Boy Scouts all over the United States will observe Sunday, Dec. 2, as International Golden Rule Sunday, as outlined by The Near East Relief Association.

Literature and cards are now in the hands of the Scoutmasters who will arrange for the contributions of their scouts, later reporting to Scout Executive Chamberlain who will forward all collections to New York.

This appeal is not confined to Boy Scouts, but is sent out to the public. Because a scout is taught to be helpful and kind to everyone, the National Council of Boy Scouts has asked the scouts to particularly observe the day.

Leader Of Salvation Army Leaves Salem

Envoy William Ward, who has been in charge of the Salvation Army here, has resigned and he and his family have gone to Newark, where they will be engaged in the same work. So far no one has been sent to fill the vacancy here.

CLOTHING STOLEN AS MINERS WORK

The streetclothing of more than a dozen miners, including their underclothing, suits, coats and shoes, were stolen between 6 and 11 p. m. Monday from the wash house at the entrance to the Beaver Coal and Clay company mine at Coleman.

The men had changed their clothing to go on night turn duty at the mine. When they returned for their clothing early Tuesday morning the garments were gone and the gasoline from an automobile tank nearby had been drained. There is no clue to the robbers.

Donahay Pardons Man Sentenced For Murder

Columbus, Nov. 27.—Antonio Montagnolo, Marion, after serving about five years in the penitentiary on a charge of murder was released this morning. He was pardoned by Gov. Donahay. Executive clemency was based upon the claim of Montagnolo's innocence.

2 HURT AS FLYER HITS EMPTY TRAIN

Crack Train Rams Coaches;
Signalman And Woman
Hurt Seriously.

Chicago, Nov. 27.—Two railroad employees, one a woman, were seriously injured and more than a score of transcontinental passengers were shaken up when the Olympian crack flyer of the Chicago, Milwaukee and St. Paul railway crashed through an open switch into a string of slowly moving empty coaches here.

The wreck occurred in the yards about a mile from the loop. One of the empty cars into which the speeding flyer crashed was hurled from the tracks against the supports of a 20-foot signal tower, which collapsed, hurling the towerman, Paul Karmeser, to the ground. The stove in the tower set fire to the wreckage.

Karmeser, internally injured, was rescued from the burning wreckage by a crossing signalman, who had fled his shanty a half minute before flying timbers reduced it to kindling.

Mrs. Kate Stemick, a cleaner at work in one of the empty coaches also was seriously injured internally.

German Home To Felt Children Xmas Week

A Christmas entertainment will be held at the National German home, Newgarden rd., Sunday, Dec. 23. The event was planned at the last meeting of the board of directors. Gifts will be provided for the children.

AUTOS DESTROYED IN GARAGE FIRE, LOSS IS \$20,000

Only One Car Saved From
Flames That Destroy
Lisbon Garage.

MANY USED AUTOS GO UP IN SMOKE

Motorists Discover Blaze
At Night; Origin Is
Undetermined.

Lisbon, Nov. 27.—Only one car was saved from the Fife & Crubrough garage on the Lincoln Highway, just south of the Beaver bridge, when the building was discovered in flames by a passing motorist shortly after 11 o'clock Monday night.

K. B. Fife estimates the loss at over \$20,000, with insurance of \$15,000. One new Buick Six and a new Chevrolet were burned. These cars were insured.

A number of used cars the concern held as part payments on trade, are a total loss as they were not insured.

Several cars in the garage for repairs were destroyed and it was not known Tuesday morning whether these cars were insured by their owners.

A passing motorist discovered the fire, stepped his car, sounded the horn and this attracted the attention of Mr. Fife who rooms in a house near the garage. He looked from the window saw the flames bursting from the office window, but when he entered the garage by the rear door, he could save but one machine.

Fear that the large gas-line tanks would explode was entertained, but firemen "soaked" the ground around the tank and filling pumps. A drum of alcohol let go but caused no damage.

The garage building is a mass of wreckage, only portions of the concrete block walls standing.

The cause of the fire has not been determined. Insurance adjusters are expected to visit the plant late in the week.

STOLEN PROPERTY CHARGE DISMISSED

Judge James G. Moore in criminal court Monday afternoon directed a jury hearing the evidence in the case of the state against Frank Hoffman to return a verdict of not guilty after the state had concluded its evidence.

A secret indictment was returned by the last grand jury for receiving stolen property, consisting of copper coils and other metal equipment from the apple butter plant and cider press on the Rupert farm on the East Palestine-New Waterford rd.

Chief of Police Walter Warren of East Palestine testified that he got the coil and other pipe fittings during a raid, but that they were not attached to a still.

Attorneys Charles S. Speaker and George T. Farrel moved the court that the jury be directed to return a verdict of not guilty, which was done. Hoffman then went his way.

DISCUSS PLANS TO FINANCE DOLLINGS

Columbus, Nov. 27.—A plan, contemplating the issuance of a number of first mortgage bonds to pay off the floating debts of the subsidiaries, followed by second mortgage bonds to pay obligations to the present concern, the R. L. Dollings company of Ohio, and an application for the dissolution of the present receivership, was announced today by John A. Bushnell, chairman of the Dollings' stockholders' protective committee, to rehabilitate a number of the subsidiary concerns of the defunct organization.

Representatives of various county committees of Dollings' stockholders are meeting here today, to establish their position toward court action pending against Dollings officials in three county courts and federal court here.

A new Ford four door sedan belonging to Harry J. McAvoy, 323 South Lundy st., was stolen from in front of the Junior High building on Fourth st. about 7 p. m. Monday, it was reported to the police department Monday night.

The license number is Ohio 781659 and motor number 753237. It is now having been used but two weeks.

No trace of the thieves has been found by police who are tracing the car to other towns.

Sproat Seriously Ill

J. M. Sproat of Ellsworth ave, who has been ill for the last week, is in a critical condition it was reported Tuesday afternoon.

MOOSE DANCE
THANKSGIVING EVENING AT 8 P. M., AT HALL, HARMONY SEVEN ORCHESTRA. ADMISSION 75c PER COUPLE. EXTRA LADIES 35c. 2801

Taxpayers Receive Month's Grace

Lisbon, Nov. 27.—Taxpayers of this county have been given one month of grace on their December payments.

Reports of this intended action were confirmed here when E. E. Hamilton, auditor, and Miss Jo Pike, treasurer, informed the commission that they would be unable to prepare the necessary lists by Dec. 20.

A resolution extending the time for payments to Jan. 20, 1924, was adopted by the commissioners.

The reason given for the delay is that so many districts had additional levies submitted at the polls.

AMNESIA VICTIM IS MISSING AFTER MOTOR ACCIDENT

Alliance Woman Is Seeking
Husband Who She Fears
Has Strayed Away.

A thorough search is being made of this part of the state for Thomas Keller, husband of one of the two women who were in the auto accident on the Damascus rd., four miles from Salem early Sunday morning.

The man subject to spells of amnesia, is thought to have wandered away because no trace of him can be found.

About 2 a. m. Sunday after the car containing Mrs. and Mrs. Keller, Miss Mary Stahl and another man, all of Alliance, ran into the ditch, Keller was left to guard the car while the others went with Miss Stahl who was injured to the hospital.

When Mrs. Keller returned to the scene of the accident her husband had disappeared. She came back to Salem and Monday morning tried to find Keller.

Mrs. Keller then asked Alex Chalfant of the Chalfant Motor Co., whose wrecking car towed the machine in, to assist her in her hunt but as no one in the vicinity of the wreck had noticed him he was given up for lost.

Mrs. Keller returned to Alliance Monday afternoon, stating that she thought her husband would return. She said he was subject to spells when he lost his memory and that any shock, like the accident, would cause the spells to recur.

BRITT WILL HEAD RECREATION CLUB

Officers Elected At First
Meeting Of The Season
Monday Night.

The Recreation Club opened the winter season Monday night at the High school gymnasium with a large attendance and much enthusiasm.

The program, in charge of Albert Wright, was followed by a short business meeting for the election of officers.

James Britt was elected president; Charles H. Coburn, first vice president; Albert Wright, a cond vice president; Miss Ella Meyer secretary; Miss Freda Smith, treasurer.

It was decided to fix the dues for the year at one dollar and if all who attend the meetings will contribute this amount to Miss Freda Smith at the First National Bank the expenses of the club can be cared for.

Community Players Will Meet Tonight

The Community Players will meet at the Chamber of Commerce tonight at 8 o'clock for organization and to decide on the winter's program.

Every person who cares for community drama in any of its features is asked to be present. Several committees will report and it is expected that a one act play will be read through by several members.

Communists Subdued, Troops Leave Saxony

Dresden, Nov. 27.—The reichswehr evacuated Saxony today. Normal conditions have been restored. The troops were sent in when Communists, who were in control of the government, defied Berlin.

Union Thanksgiving Service At First Friends Church

Besides the annual Thanksgiving service of the Salem churches, which will be held at 7:30 p. m. Wednesday at First Friends church, most of the churches in the city have announced special prayer services in observance of Thanksgiving day, Thursday.

Dr. P. H. Gordon, pastor of First Presbyterian church, will preach the annual Thanksgiving service sermon, and Clarence Cosand, of Damascus, will be in charge of the music. He is assisting in the special services being conducted by Rev. C. E. Haworth pastor of the Friends church. The offering will go the Home for Aged Women.

SEBRING STORE LOOTED, TRUCK FULL IS TAKEN

Thieves Take 110 Suits Of
Clothing, Dozens Of
Other Articles.

TRUCK BACKED UP TO THE REAR DOOR

Salem Police Notified As
Alarm Is Sounded Early
Tuesday Morning.

Piling their booty into a big truck a gang of thieves took 110 suits of clothing, five dozen shirts, several dozen pairs of socks and numerous miscellaneous articles of wearing apparel from the Bayer Clothing store in Sebring early Tuesday morning making good their escape.

A woman who refused to give her name to Sebring officers, said that she was sleeping in an apartment near the store when she heard a peculiar noise about 2 a. m. There was no one on the street but she said a truck came down the street, the exhaust muffled and backed into the alley at the rear of the store.

Frightened, the woman went back to bed but was aroused half an hour later when the truck pulled out of the alley with a load of merchandise, the four or five men on it having dark suits and handkerchiefs over their eyes.

A man going home from work found the door of the store open and called the marshal who investigated and found the store had been thoroughly ransacked.

Immediately the marshal got in touch with Chief of Police T. W. Thompson at Salem but the men did not drive in this direction. Chief Thompson stated that he thought the job was the work of the same gang of men who plundered Salem homes and business houses last week and have also held up persons in other towns.

The bandits succeeded in leaving all traces of their Sebring job behind them. Police in all cities in Ohio and Pennsylvania have been asked to be on the lookout for them.

Mr. Bayer, owner of the clothing store, was taking an inventory Tuesday so that a final checkup can be made. It was the boldest robbery in Sebring in several years and the whole city is excited.

The fact that hardly a person is seen on the streets of the pottery city at that hour of the morning accounts for the bandits being so bold as to drive a truck up to the door and leisurely ransack the place, taking what they wanted.

FATHER AND SON VIE FOR HONORS

Kesselmire To Offer Many
Late Quips And Jokes
In Elks Follics.

Father will vie with son for comedy honors in the "Elks Follics of 1923," next Monday and Tuesday nights at the Grand theater.

Harry Kesselmire, who has been making Salem audiences laugh for many years, will offer the latest quips and jokes, with a sprinkling of live local points. And James Kesselmire, his son, promises to produce just as much mirth as his father. Each has "something up his sleeve" and surprise after surprise will be sprung.

And then come Frank Stone and R. T. Culbertson, who appear in support of the Kesselmires and a merry whirl will follow.

As an added feature the management announces Don Hasbrouck of Leetonia, Don will warble and prance around the stage about being in love with some dusky belle and they say when he preambulates he 'rouses 'em up.

This part of the Follics program is sure to remove every frown from the audience.

STINNES TO RUN U. S. OIL FIELDS

Berlin, Nov. 27.—It was learned from an authoritative source today that Hugh Stinnes has formed an oil company in New York with \$20,000,000 to develop fields in Texas, Mexico and Russia in conjunction with Harry Sinclair, American oil operator.

German Socialist newspapers bitterly denounce Stinnes' "foreign investments."

They connect these investments with Stinnes' policy in the Ruhr, where he has been making wholesale dismissals on account of "lack of capital."

Developing Talent.

It is always interesting to find some-
one who is willing to champion
the development of the finer things in
life, to discover and nurture the latent
talents of a community. Community
life is just what the people in the
community make it, and nothing tends
to develop a wholesome atmosphere
of friendliness and good will to a
greater extent than some organized
effort to produce art, music, drama
and play. And by having his talents
developed, the individual shares with
the community the lasting results of
the effort.

There is no limit to the possibili-
ties of some such organized effort as
has been suggested by Mr. D. H. Rum-
mel. To have semi-annual entertain-
ments at which exhibits of paintings,
art work and other accomplishments
may be shown and at which musical
talent may be developed in the amu-
seur, would be a worth-while under-
taking.

Such is the plan of Community
Service, its drama institute and re-
creational activities are but begin-
nings. The program will be expanded
when the new Memorial building
is completed and with such helpful
suggestions as those written by Mr.
Rummel, the community workers
should feel encouraged. No doubt the
Chamber of Commerce would be wil-
ling to assist, as Mr. Rummel sug-
gests, and the co-operation of every
organization and individual in the
city will be a vital factor in the
success of the undertaking. More
thought and action along these lines
will pave the way for the banishment
of factions and the development of a
common understanding and a feeling
of real neighborliness throughout the
community.

No More Penmanship

It is said by those who are studying
the matter that not only is pen-
manship becoming a lost art, but that
such handwriting as is left more ad-
mirable if it is illegible than the other
way around. Personnel experts in
charge of employment for large busi-
ness firms are not interested in let-
ters of application showing beautiful
penmanship. They classify the
writer of such a letter as a plodding,
painstaking soul who would never act
on his own initiative or make a good
executive.

The typewriter has helped to bring
this about. It is very much more ef-
ficient to carry on the bulk of busi-
ness correspondence with typed rather
than hand-written letters. The former
take much less time both in the writ-
ing and the reading. It is natural
that persons who write usually with
a typewriter should find their pen-
manship deteriorating for lack of prac-
tice and because they unconsciously
try to hurry pen or pencil.

Nevertheless, if penmanship in
general is becoming out-of-date, sig-
natures remain with us. Legal docu-
ments and letters and bank checks and
various other things still have to be
signed by hand. With less handwrit-
ing to do, one should find it possible
to concentrate on making the little
that remains legible. Or if legibility
really is a fault, then the hieroglyphs
placed on the dotted line ought to be
followed or preceded by a typed
translation of their meaning.

Simpler Tax Reports

It is good to learn that income tax
reports will be simplified next
year for the majority of taxpayers.
There will be one small sheet, with
instructions on one side and on the
other side spaces for entering the es-
sential facts required by the govern-
ment. The income sources are re-
duced to three general classes, cover-
ing first, salaries and wages, or earn-
ed income; second, interest and divi-
dends on bank deposits, mortgages,
bonds, etc., or investment income;
third, "other income."

This should make the tax return
much less of a chore for the 60 or 70
per cent of taxpayers whose net in-
comes are not over \$5,000. The treas-
ury department would add to its popu-
larity if it would extend the same
simplifying method, as far as possible,
to the higher incomes. The puzzle
of making out an annual return has

been almost as much of a burden to
most people as the payment of the
tax itself, and has been responsible
for innumerable errors.

20 YEARS AGO

(Issue of Nov. 27, 1903.)

The 38th annual ball of the Salem
Iron molders was held Wednesday
evening at Cook's hall which was
crowded to capacity. For years this
ball has been held on Thanksgiving
evening.

Harry Boyle of Pittsburg, a former
member of the Salem football team
came here to visit friends over
Thanksgiving and attended the big
Lisbon-Salem game yesterday.

A crowd of fully 1,500 people gath-
ered from over the county and wit-
nessed the annual Thanksgiving day
football game between Salem and
Lisbon. Salem outplayed Lisbon,
but snow prevented victory.

Announcement is made of the mar-
riage of Norman Ross Bricker and
Miss Nellie Frances Galle, which oc-
curred Saturday, July 11.

Herman McCave, now a student at
Kenyon came to Salem Wednesday
to spend the Thanksgiving vacation.
Webb Goodchild, of Pittsburg, was
the guest of his aunt, Mrs. E. W. Sil-
ver, Lincoln ave. over Thanksgiving.
John Callahan of Pittsburg, a former
Salem boy, a brakeman on the
Pennsylvania lines, spent
Thanksgiving with Salem friends and
attended the football game. He for-
merly played on the Salem team, do-
ing excellent work.

A total of 264 tickets were sold at
Lisbon Thursday for the special
which brought the Lisbon rooters to
Salem to the football game. This
number was increased by 73 at Wash-
ingtonville.

Congressman James Kennedy will
introduce a bill in congress ap-
propriating \$100,000 for the erection of
an addition to the present postoffice
building in Youngstown.

**Grove's
Mild Iron Laxative
Tablets**

For Elderly People

This **MILD IRON LAXATIVE** Tonic is made especially for **Elderly People**
who need almost daily a **MILD LAXATIVE** for constipation and at the same
time need a **MILD IRON** tonic to maintain their health and strength.

Both the Iron and the combination of Laxatives in this preparation are so mild in
their action that there is no disturbance to the stomach or the digestion and no griping.
The **MILD IRON** (our process) is the best form of Iron for delicate stomachs
and can be taken safely every day if needed. Every time you take **Grove's MILD
IRON LAXATIVE Tablets** for constipation, you at the same time put just enough
of the **MILD IRON** (our process) into your blood to keep up and preserve your
strength. The Iron does not effect the teeth.

Strengthens the Whole System by Eliminating Poisonous Waste and Purifying and
Enriching the Blood. (Weak, Thin, Unhealthy Blood will not generate Vitality.)

This excellent Tonic-Laxative for ELDERLY PEOPLE is made by the manufacturers of
Laxative BROMO QUININE which has a World-Wide Reputation as a dependable
remedy for Colds, Grip, Influenza and Headaches from Colds.

What Pilgrims Ate On Turkey Day

The New England style of Thanksgiving dinner which housewives now accept as a precedent for menu making has only a few features in common with the original feast of 1621.

None of the manuscript left by the Pilgrims gives the bill of fare for the first Thanksgiving festival, which lasted a week, but they list the supplies the Pilgrims had.

It is reported that "beside water fowl there was great store of wild turkeys." There was also sea food, venison, barley loaf and cakes of Indian meal. As for vegetables they are numbered in a rhyme made by His Excellency the Governor.

All sorts of roots and herbs in gardens grew—Parsnips, carrots, turnips or what you'll sow. Onions, melons, cucumbers, radishes, beets, celerworts and fair cabbages.

Although turkey is symbolic of Thanksgiving has Italy, it should divide honors with some dish of cornmeal.

Girl Without Stage Experience Chosen For Important Role

New York, Nov. 27.—Miracle happened—even on Broadway.

Fudge Richmond Pinchot, 17 years old, without theatrical experience of any kind, through her mother, Mrs. Minnie Pinchot, former wife of Amos Pinchot, brother of Gov. Clifford Pinchot of Pennsylvania, accepted the offer of a featured part in a Broadway production.

Miss Pinchot, according to plans of Max Reinhardt, stage director, will take the part of the man in his production of the "Miracle."

The production a pantomime is to present Princess Maria Carri Natchabelli and Lady Diana Manners to the American public. Reinhardt, according to the announcement, was not satisfied with the actress he had engaged for the part of the man. On shipboard, coming to America he chanced to see Miss Pinchot and offered her the part.

"YOU CAN'T FOOL YOUR WIFE"

Homeworth—A program of exceptional interest through its originality has been prepared by the students of Oak Ridge school to be presented Thanksgiving eve at the school. The program consists of two parts with an intermission and a play in which the young people of today are visited by young people of the Puritan age.

Allentown, Pa. — Joseph Schmidt was caught between his automobile in which he and his bride were making their honeymoon trip, and another machine, fatally injuring him. He died before reaching a hospital.

Hair Glory

One minute a day gave it to me
BY EDNA WALLACE HOPPER

My hair is my greatest glory. It grows finer every year. I have never had falling hair or dandruff, never a touch of gray. Mine is a grandmother's age, yet countless girls who see me on the stage and elsewhere, envy my luxuriant hair.

So with mother. She died at the age of 57 with hair like mine today. So with many friends who use my method. They have beautiful hair, and it does not lose its color.

I am convinced that millions, in my way, can multiply the beauty of their hair. And I have arranged to bring that method to them.

A French Formula
My mother and I many years ago, found this formula in France. It had been developed by experts whose whole lives had been devoted to hair study.

One factor in it combats hardened oil and dandruff, the great enemies of hair. They stifle the hair roots, check hair growth, choke the supply of pigment which gives hair its color.

Other factors stimulate and fertilize the scalp. Hair thrives on such a scalp, as flowers will thrive in a clean and well-kept garden.

One minute a day
I call this formula my Hair Youth. I apply it daily with an eye dropper directly to the scalp. It takes but a moment, and this method does no muss the hair.

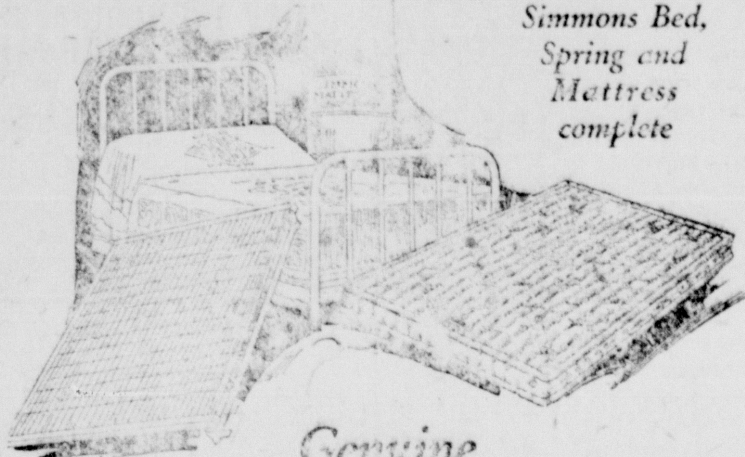

You have never known anything so effective, yet it is harmless. It does not affect the hair's color, natural or artificial. Its whole effect is on the scalp and the roots which lie therein.

Hair Youth is sold under guarantee. If the first bottle fails to delight you, your dealer will return its price. So I ask you to try it at my risk. Learn what it did for me and mine, and you will reap rich rewards.

Edna Wallace Hopper's Hair Youth is supplied by all druggists and toilet counters. Price, 50c and \$1 with eye dropper. Also my Youth Cream, with two fruits in it. My Facial Youth—my famous liquid cleanser. And my White Youth Clay—the last word in facial clay. My beauty book comes with each.

My Hair Youth will lead you to want my other helps. I think. And they are all now at your call. Edna Wallace Hopper, business address, Waukesha, Wis.

Note—Miss Hopper is now playing the Pantages Vaudeville circuit of the Western states.

Simmons Bed, Spring and Mattress complete

Genuine Simmons Bed, Spring and Mattress Outfits

Simmons beds cost no more than ordinary beds. The following offer demonstrates this fact in the most conclusive manner.

The Bedstead in this combination outfit is of round steel tubing, very strongly made and very serviceable. It is an entirely satisfactory piece, made with the same care and exactitude as all Simmons Beds are made.

The Spring is the well-known Simmons galvanized, twisted-link fabric, long recognized as one of the most practical, serviceable and comfortable flat-surfaced bed springs on the market. It is a spring of unsurpassed sanitary quality. "Built for Sleep"—no sagging, no letting down; resilient and restful.

The Mattress is of pure, clean, new Cotton—not made of old, discarded "renovated" materials—as the price might indicate. Each mattress sealed and delivered in the original carton roll, protected from the dust, grime and germs of the city streets.

The outfit, as illustrated above, special at

Thanksgiving

Marvelous indeed are the changes and advancement that have taken place since the Pilgrim Fathers set aside that first day for giving thanks.

Can you imagine the delight (and thankfulness) of the Puritan maid or matron, could she have chosen her Thanksgiving Footwear from such exquisite styles as are presented in our November showing?

Thanksgiving Hosiery

For warm woolen sports hose to wear to the football game, to sheer silk hose to match dance frocks, every wanted sort of hosiery is here in a splendid variety. The complete range of colors and qualities makes selection a simple matter.

SIMPLY STYLED STRAP PUMPS

The popular black and brown suede, satins,—inclusive is our present showing, even to the variety in prices.

Newer Fashions for Thanksgiving

Footwear must be more than stylish to interest the particular women. It must emphasize her own personality, and do its part toward individualizing her costume.

The variety of smart mid-season styles offered here simplify the matter of attaining subtle perfection in dress, whatever the occasion or the costume.

Book Club

Twenty-two members were present at a meeting of the Book club Monday afternoon at the Chamber of Commerce rooms. An interesting program was presented. Here are the numbers:

"Women in the Law," Mrs. G. J. Hawkins; "Courts and Juries," Mrs. E. H. Taylor; "Property Rights of Women," written by Mrs. S. D. Whinnery and read by Mrs. T. A. McClain; Current events, Mrs. B. T. Myers; Thanksgiving reading, Mrs. L. Frank Smith.

Mrs. Lowell King sang "I Love You Truly." Her encore number was "Rose Dreamed She Was a Lily." The next meeting will be in one week, instead of two.

A Birthday Dinner

Sweet peas were used effectively in the table decorations at a 6 o'clock dinner given by Mrs. John Gunesch Sunday evening at her home, Depot st., at which she entertained 26 friends in celebration of her birthday anniversary. The hours were enlivened with games and music. Among the guests were Mr. and Mrs. Fred Everett and daughter, Margaret, and son, Fred, of Youngstown, who brought Mrs. Gunesch a beautiful gift, and the other guests gave her a present. It came as a surprise.

Hear McCormack Sing

Mrs. Anna Sapp, Miss Grace P. Orr, Miss Ora Vincent, Miss Helen McCrary, Miss Goldie Warner and Miss Esther Jensen were among the Salem people who attended a recital given by John McCormack Monday evening in Youngstown.

The recital was at the Rayen-Wood auditorium and Mr. McCormack was presented by the Monday Musical club of that city. The assisting artists were Lauri Kennedy, cellist and Edwin Schneider, pianist.

Benefit Thanksgiving Social

Under the auspices of Ladies Division No. 3 of St. Paul's Catholic church, a benefit Thanksgiving social will be given Wednesday evening at the Knights of Columbus hall, Broadway. It is for the benefit of the church. Games, cards and music will compose the program of entertainment and refreshments will be served.

Guest Night Dance

Nearly 50 couples enjoyed the dance given by the Three Links Social club of the Odd Fellows Monday evening at the hall, Broadway, when the club observed Guest Night. The McNab six-piece orchestra played. Some of the guests were from Alliance and Lisbon. In one week the club will give a dance.

Sunday School Social

The Millville Sunday school will give a pie and box social Tuesday evening. A short program will be a feature.

Mr. and Mrs. W. C. Boyle and Mrs. Amelia McCarty and daughter, Miss May McCarty, of Cleveland, and Mrs. Bours of Pittsburg, were among those who were here for the funeral of Mrs. Magie Boyle, held Saturday afternoon.

Mrs. R. F. Miller and daughter, Miss Elizabeth F. Miller, and Miss Winifred Arnold attended the recital given by John McCormack Monday evening at Youngstown.

Mrs. Frank Shook and Miss Lizzie King of Youngstown were guests Sunday at the home of Mr. and Mrs. Charles Mellinger, Garfield ave.

Mrs. Susan Potoraday, of Cleveland, is visiting at the home of her brother and wife, Mr. and Mrs. John Tischler, Cleveland ave.

Mr. and Mrs. P. Schmidt of McKinley ave. left Monday for Toledo, where they were called by the death of his brother.

Mr. and Mrs. Wilson Steer and family have returned to their home in Winona after a short visit with Salem friends.

Mrs. Lydia A. Harris, who formerly resided on McKinley ave., is ill at the home of her son in Canton.

Miss Louise Scullion, 129 Perry st. underwent an operation for appendicitis Tuesday morning.

Mrs. Olive Cook of Sandusky, who has been confined to the hospital for the last three weeks for surgical treatment, was discharged Tuesday afternoon.

Girl Wives May Sue For Divorces

Cincinnati, Nov. 27.—Girl wives may sue for divorces if their cages were filed before Ohio's new law became effective, according to a decision in file in the court of appeals here.

The recently enacted law advanced the age for the majority for women from 18 to 21 years. Rulings by Attorney General Crabbe and trial court judges complicated the situation of wives between the ages of 18 and 21 who desired divorces.

It is believed that hundreds of Ohio cases are affected by this decision.

McAdoo's Son's Wife Has Secured Divorce.

NEW LAWMAKERS COMING TO TOWN

TYRO MEMBERS OF CONGRESS
ARE FIRST IN WASHINGTON
AS IS USUAL.

ARE WATCHED WITH INTEREST

By EDWARD B. CLARK

Washington.—Congress is coming to town. It is to be a new congress, and there will be many members who never before have sat in the seats of supposed power, and who never before have walked the streets of the capital. The new members usually are the first to arrive, and this year has proved to be no exception, as a rule.

New congressmen quickly are disillusioned. They have a preconceived thought that instantly they may take the place of prominence in one or the other of the legislative bodies. Almost invariably they are disappointed. It takes a member of either house a long while to "come through." There have been only one or two exceptions to this rule.

The new members come here not only to get acquainted with their surroundings, but to find places to live. Many of them take houses and bring their families and install them therein. There are families living in this town today in the same houses which were leased for their occupancy years ago by men who then came to Washington for the first time as congressmen, and who may or may not have had visions of passing the rest of their existence in the capital.

The new members for the most part have been assigned to their rooms in the house building. Some of them have found well, and some of them not so well, but, take it all in all, there is little to choose between quarters in the building given over to the business uses of members of the house.

Senators Have Better Offices.

Senators of the United States fare much better than their house brethren in the matter of office quarters. There are only 26 senators, while there are several times that number of representatives. The two office buildings virtually are of the same size, and so it readily can be understood why the senators have suites while the representatives must content themselves with rooms.

Old timers in Washington, in the house and out of it, always watch with interest the actions of such incoming members of either house as already have attained prominence in the public eye, either because of their freak actions, or because of their known constructive ability. There will be several such members in congress to take their seats in a short time. The galleries will watch them to see if in some cases they live up to their belated promises, or in other cases if the well known ones of hitherto retiring disposition shall attempt to assert their personality and make effort to force their will in certain things upon the old stagers.

The older members of the senate are not inclined to look with pleasure upon ostentatious newcomers. The obnoxious one may be a Democrat or a Republican, an Independent, a Farmer-Laborer, a Socialist, or anything else, but whatever he is he will find that any forwardness on his part will be met with the scorn of the old timers irrespective of any sympathies which they may have with the newcomers economic or political views.

Beveridge Was Not Squeezed.

Years ago the senate showed disapproval of the announcement of a newly arrived senator from Indiana that he intended to make a speech upon a certain subject on which the old timers thought he ought to be silent "for awhile." When this Indiana arose to make his speech virtually every old-time senator left the chamber to retire to the smoking rooms or to the restaurant. The galleries were fairly well filled and the auditors remained largely out of curiosity to hear what the new one would say. They heard a speech that has been declared to be one of the great senate speeches of all time. The speaker was Senator Beveridge of Indiana, and his subject, in effect, was the policy of the United States toward its newly acquired insular possessions.

Years ago one new member of the house, whose name shall not be given here, for he died some years ago, fulfilled his reputation as an orator the first time that he spoke in the house of representatives. The members staid to listen to him and they applauded him zealously and without lessor. He was so inspired by his first success that he delivered another speech only a short time after the first one, and, either because he was lazy or because he thought nobody would know it, he took an old-time oration delivered by another man on another occasion, and gave no credit. Some of the members recognized the text of the matter before the new member had gone far along his speaking way. The speech which he had cribbed was one which many years before appeared as a sample of high oratorical effort in a school reader with which several of the old timers were familiar. The offending member never was quite able to live down the incident, although thereafter he stuck to material of his own making.

His Turn to Guess.

Teacher—Are there any questions before we start to recite?
Student—Yes, sir! What's the lesson?
Teacher—The lesson is to guess that the news is the want medium in this vicinity. So read it.

Filled to Overflowing With the Joy of Living

The simplest remedies are nearly always the best. That's why thousands of bright-eyed, clear skinned men and women keep themselves fit and fine by having an abiding faith in

Celery King

the simple, old-fashioned, inexpensive vegetable tea that your grandmother used to make.

It purifies the blood, regulates the bowels, keeps the stomach clean and sweet and is the best tonic laxative you can take.

The kiddies like it too, for it is gentle and mild. Give it to them when they are fretful and feverish.

MODERN SCIENCE CAN NOW HELP YOU DEVELOP STRENGTH, ENERGY AND VIGOR

There are lots of people who never really feel their best at this time of the year. Sleep does not refresh them, and they get up for work feeling dull, drowsy and tired—easily upset by indigestion—often constipated—frequently fatigued, nervous and worn out before the day's work is done.

Let modern medical science help you! Take a good tonic, as your doctor would advise! Nourish your system, build yourself up and increase your strength, energy and vigor! Try just a spoonful of Dr. Thacher's after the next few meals. Notice the quick difference in the way you eat, sleep, look and feel.

This vegetable tonic is scientifically designed to help you increase appetite, improve digestion, gently correct constipation, tone the torpid liver, nourish the system and send purer, healthier blood coursing through your veins. If you are not completely satisfied druggists are authorized to refund the small cost.

Clip this article and get Dr. Thacher's in Salem at Moler & Pench, Flooding Drug Store and J. H. Lease Drug Company and at leading druggists in each city and town.

Curzon's Daughter Seeks
Parliament Seat.

Lady Irene Curzon, daughter of Lord Curzon, British foreign minister, is campaigning for seat in the house of commons as an independent. Lady Irene was born in 1896, her mother being the late Mary-Victoria Leiter, daughter of Chicago's famous wheat plunger.

Trumpeter Swans.

According to the Zoological Society of London, the interesting flock of trumpeter swans now carefully guarded on a secluded lake in British Columbia numbered nineteen in the winter of 1929-30, but was reduced to nine in 1930-31 and showed a gain of only two in 1931-32. The trumpeter swan is the largest waterfowl known to have existed in North America and for many years was considered to be extinct. In 1900 Canadian naturalists announced the discovery of nests of the great swans on the islands in Franklin bay, but reports of their appearance in the United States after 1884 cannot be confirmed. The Canadian government employs a guard to protect the flock.

Says His Prescription Has
Powerful Influence Over
Rheumatism

Has Also Proven Remarkably Successful in Severe Cases of Rheumatic Neuritis

Mr. James H. Allen suffered for years with rheumatism. Many times this terrible disease left him helpless and unable to work.

He finally decided, after years of ceaseless study, that no one can be free from rheumatism until the accumulated impurities, commonly called acid deposits, were dissolved in the joints and muscles and expelled from the body.

With this in mind he consulted physicians, made experiments and finally compounded a prescription that quickly and completely banished every sign and symptom of rheumatism from his system.

He freely gave his discovery, which he called Allenhu, to others who took it with what might be called marvelous success. After years of urging he decided to let sufferers everywhere know about his discovery through the newspapers. He has therefore instructed druggists everywhere to dispense Allenhu with the understanding that if the first bottle does not show the way to complete recovery he will gladly return your money without comment. All druggists can supply you.

Attributes Rush To
Purchase Firearms
To Klan Activities

Columbus, Nov. 27.—Atty. Gen. Charles C. Crabbe attributes the rush to purchase revolvers and other firearms in all parts of Ohio to the Ku Klux Klan.

The extraordinary number of bonds filed for carrying concealed weapons first came to public notice in Franklin county, where 55 of these bonds were filed in one day.

The Klan soon is to conduct a demonstration here. Klan leaders, however, deny they are responsible for the arming.

At the same time Atty. Gen. Crabbe revealed that records in his office show there are similar arming movements in other parts of the state.

This is coupled with the formation of a new organization, known as the Ohio Law and Order League. Its purpose has not been stated definitely but it is supposed to be an adjunct to the Klan.

Increasing Use of Radio.

Britain is behind in the development of radio and the authorities are being criticised for their failure to promote radio communication on a world scale and with permitting France, Germany and the United States to occupy this field to the exclusion of England. It is pointed out that France is planning a great station at Pondicherry, India and that in July she will open a high power station at Buenos Aires. Later in the year two other stations will be ready in South America. These will be in direct communication with the French station at St. Assise, with Nauen in Germany and with Long Island, New York. From St. Assise France by radio will reach India, China and Japan on the east and North and South America on the west.

AIR COP ARRESTS SKY-TRAFFIC VIOLATORS.

Howard Calvert, Frank O'Neil and Policeman Harold Lullberg.

Howard Calvert, stunt pilot, shown handcuffed to his manager, Frank O'Neil (right), they were arrested in Akron, O., by Air Patrolman Harold Lullberg (at extreme right), charged with sky-traffic violations. They were convicted of violating a city ordinance prohibiting stunt flying over certain districts. The two men were sentenced by Judge Zesiger to spend one day in a kite-balloon, tethered at the end of a 1,000-foot cable, in plain view of the whole city.

Another Convincing Endorsement
Given Famous Nerv-Worth

Fostoria, O., Man Quickly Overcame Weakness, Nerves, Sleeplessness.

"I had a sick spell, and it left me in such a nervous condition that I could not sleep," wrote M. L. Betzer, 220 W. North St., Fostoria, Ohio. "I was weak in the legs and couldn't go to work without being tired out at night. I decided to try Nerv-Worth and after my second bottle I am happy to say I sleep good, and I'm not a bit nervous. I am getting more strength every day."

Sold and recommended by Bennett's and Treats.

Nothing needs to be added to the above statement to make it more effective because it tells its own story. Those who suffer from nervous disorders, stomach trouble, and their attendant ills, should take heed to this message for they will find that the old reliable Nerv-Worth containing extracts of roots and plants, will give them quick relief. If you are not satisfied after taking your first bottle, remember that your druggist is authorized to refund your money. Sold by all leading druggists everywhere.

Not Interested.

"It says in the paper here," began Mrs. Johnson in the midst of her reading, "that an airplane traveling at the rate of two hundred miles an hour would take fifty-three years to go from the earth to the sun."

"What's that?" returned Gap Johnson of Rumpus Ridge, aroused from a doze.

"You wasn't listening, torment it!"

"It would take an airplane going at two hundred miles an hour fifty-three years to reach the sun."

"What's the difference? You ain't alimng to go there, are you?"—Kansas City Star.

Slayer Of Rasputin Coming To U.S.

Prince Felix Youssouppoff and his wife, of the Russian nobility, are soon to arrive in New York as the guests of Mrs. William K. Vanderbilt, Sr. His wife was Princess Irene, daughter of Grand Duke Alexander, cousin of the late Czar Nicholas. Prince Felix was the leader of the band of young nobles who decided to do away with the treacherous monk, Rasputin, who held the czar and czarina under his mystic spell. The monk was invited to the Youssouppoff palace, in Petrograd, where poison was mixed with his wine. The poison failed to work, and Prince Felix fired six bullets into his body, which was then thrown through a hole in the ice on the River Neva. For his share in the killing the prince was banished from court and interned in his country estate until the overthrow of the czar.

"DOWN to the SEA in SHIPS"

A frail boat and its six occupants towed at express train speed toward three thousand miles of open water, through a sea lashed into foam by a maddened whale! A sudden turn; a shout,

"LOOK OUT, HE'S HEADING FOR US!"

Before the startled crew can back water the monster of the deep is upon them!

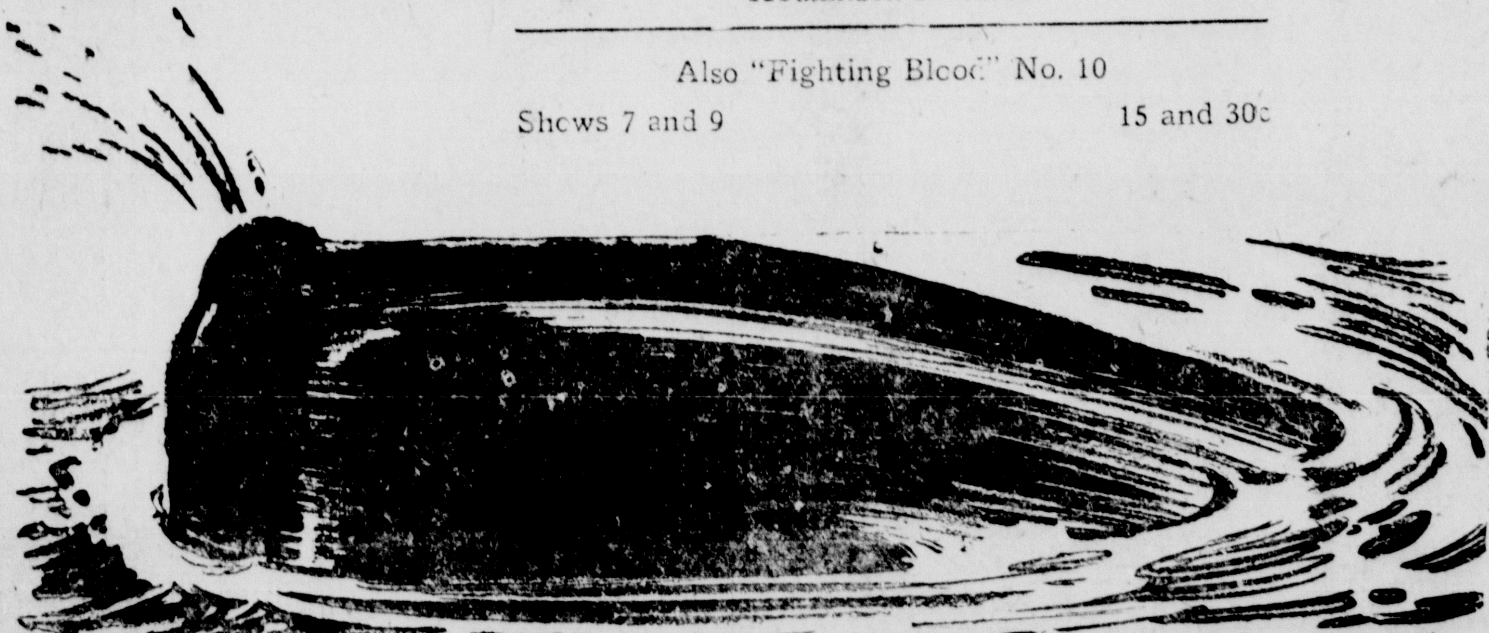

A flip of its death-dealing tail, or "fluke" and both craft and its occupants are tossed high in the air. The boat falls back into the sea a battered wreck, the crew floundering about in shark infested waters. It will be talked about as the greatest sensation of the year. Thanksgiving Day

NO SPECIAL DAY of national observance so forcibly illustrates the rude and hazardous beginnings of our Nation as does Thanksgiving Day. It brings before us the hard and courageous struggles of those fearless men of faith whose dauntless souls were filled with thanksgiving for such benefits as had been vouchsafed them.

Today our thanks are due to those forefathers for the benefits and blessings that have sprung from the seeds of Liberty they planted in the long ago.

In giving thanks today let the first givers of thanks be remembered.

Wheat Consumption Limited By Bread Saving Habit

Washington, Nov. 27.—The consumption of wheat in the United States is being limited, to the disadvantage of both the producer and consumer, by bread saving habits formed during the war and which are now "needlessly continued," the department of agriculture declared today.

The return to pre-war eating habits in the use of wheat and the feeding of low-grade wheat to livestock was suggested by department officials as one method of getting rid of the big surplus which has almost ruined many American wheat producers.

After pointing out that the use of wheat flour and bread was greatly curtailed during the war by high prices and the appeal for wheat saving, the department said:

"The custom of serving bread with 'la carte' orders in restaurants, hotels and railway dining cars was abandoned, and has not since been generally revived. Bread is not consumed liberally at the prices commonly charged. In cafeterias, for example, the rate is usually two slices with butter, for a nickel. This means that the cafeteria patron pays from 2 to 30 cents for a pound loaf of bread in the higher priced hotels and restaurants and in dining cars and charge for an order of bread may be as high as 20 cents. At such a rate the disparity between the price of bread and the cost of the wheat in it is enormous.

"The price of bread in the cities has not fallen with the price of wheat and flour. Thus a pound loaf of bread which in Minneapolis in 1913-14 cost 5.3 cents now costs approximately 9 cents, while the flour from which it is made cost \$4.53 a barrel in 1913-14 and now costs \$6.53. Allowing 280 loaves of bread to the barrel the margin between the price of the flour and the price of the bread produced from it has increased from \$10.40 to \$18.30.

"The wide disparity between the

cost of bread to the consumer and the price received by the producer for the wheat from which the bread is made, is a typical illustration of the disproportionate relationship which exists between the price of farm products and the price of things that have gone through a manufacturing process.

"It is obvious that such conditions, however, caused, work to the disadvantage of both producers and consumers. Producers are injured by the restriction which is caused in the demand for their products and consumers.

THE BEAUTY OF HEALTH

Newspapers and magazines are devoting columns to magic or over-night beautifier. There is a beauty in health that is far more attractive to men than mere regularity of features or a made-up complexion. Health should be the first essential of women who want to win and hold admiration, respect and love. At the first indication of ill health as indicated by dark circles under the eyes, a sallow complexion, headache, backache, pain in the side, nervousness, irritability and melancholia, women should take Lydia E. KLUXERS TO BUY CANFIELD FARM

Use Site For Headquarters
In County; May Build
Big Auditorium.

C. F. Gunder of Youngstown was re-elected kluge of the Ku Klux Klan of Mahoning county at a mass meeting of the Klan Sunday afternoon at Canfield.

No one opposed Gunder for reelection. Plans were inaugurated to purchase one of three farms near Canfield to be used as the Mahoning county headquarters and this deal will be closed this week, klansmen state.

At the farm will be maintained of fees for all county klans officials, recreation fields and a big auditorium that will seat 10,000 people.

It is said that there was much discussion as to Gunder's salary and whether he should work on a commission plan or on a straight salary. It is understood that it was finally

decided to pay Gunder \$10,000 but Klan officials would not discuss this angle of the affair.

Livestock Shippers To Elect Officers

Members of the Livestock Shipping Association of Columbiana county will meet at 1 o'clock Tuesday afternoon in the Farm Bureau rooms in city hall for their annual session, according to County Agent C. E. Rowland. E. Y. Gamble of Butler town-

ship is president. The association has 550 members.

The nominating committee of the Farm Bureau also will meet Tuesday. It will choose three candidates for each office, after which the "state" will be presented to the full membership, at which time other nominations will be in order.

Ford Trucks Are Bought On Performance Records

If you were to ask a hundred—or a thousand—Ford truck owners why they use Ford trucks in preference to all others, they would likely say, "Because the Ford stands up."

They know that under the endless grind of daily service the Ford stays on the job month in and month out, with very little mechanical care, and with

practically no expense for repairs or replacements. They buy to get performance.

A few might add that the Ford is the lowest priced truck on the market. But they would emphasize the work this truck does, not its initial cost, in accounting for the fact that there are more Ford Trucks in use today than all other makes combined.

LEETONIA OPENS RED CROSS DRIVE

Kiwanis Club Supports The Work; Members Volunteer Services.

Leetonia, Nov. 27.—The last meeting of the Kiwanis club was purely a business one. The special matter under consideration was the Red Cross roll call which is coming late in Leetonia as the work has been mostly done in the surrounding towns. To a man it was decided that the club would support the Red Cross work here, the members volunteering for service.

Superintendent of Schools E. P. Stonebraker has been named by Mr. Stahler of the county office as captain of the Leetonia drive.

The membership drive began Sunday afternoon when the members called at the homes between 2 and 4 o'clock. Last year the amount realized was about \$600.

Mrs. Russell Anglemeyer of Lisbon who is well known here, is in the Salem hospital where she is awaiting an operation on her throat.

At the recent meeting of the Parent-Teacher association Mrs. Merl Stambaugh president of the association named Mrs. Pro Rauch, Mrs. T. B. Cope and Mrs. Agnes O'Neill a committee to nominate officers for the new year.

Mr. and Mrs. Elmer Schaeffer, Mr. and Mrs. William Smith of Salem, were guests Sunday in the home of the parents, Mr. and Mrs. H. H. Patterson.

Mr. and Mrs. Emmet Longbottom and children who moved from here to Cleveland some time ago and are at home with the parents of Mrs. Longbottom, Mr. and Mrs. Edward Mortimer, Leetonia. They will move to Washingtonville.

The Buckeye Pipe Line company are now pumping oil from the field to the south through to Cleveland. The pipes running through east of Leetonia. There are now two pipe line workers on duty.

The Junior Red Cross work in the Leetonia schools has resulted in securing a fine Junior membership.

The entire school board visited the schools Friday afternoon. They express themselves as being very much pleased with the condition of the school.

"Mr. Bob," is the title of the play which is in a state of preparation by the Freshman class under the efficient leadership of Miss Bechtold. The date for the presentation has not been announced.

A. A. Crawford was a Salem business caller Saturday afternoon.

Mrs. L. D. Royer spent Saturday afternoon visiting relatives in Salem.

Mrs. William Smith delightfully entertained members of the South Side Sewing club, Friday evening at her home in Pearl st. Music, contests and dainty refreshments served by the hostess afforded pleasures of the evening.

Friends here were grieved to learn of the death of Quincy Moore who died at the City hospital in Youngstown Tuesday of appendicitis. His body was sent to his boyhood home.

She gets relief from DR. CALDWELL'S SYRUP PEPSIN And so do the children

Some Families Are Never Ill

FORTUNATE are the children whose parents fully realize the seriousness of constipation. Hospital records prove that 75 per cent of all disease originates in bowel obstruction, or constipation. Young children cry because of it; school children are hampered in their studies; grown people are made 25 per cent less efficient; elderly people's blood pressure increases 23 per cent. Realizing this Mrs. Carrie Moss of 1714 Church st., Lynchburg Va., Mr. Louis C. Gahl of 1569 Winton ave., Lakewood, Ohio, and innumerable others, give a spoonful of Dr. Caldwell's Syrup Pepsin at the first sign of constipation, and have no sickness among their children.

Largest Selling Laxative

Every up-to-date family medicine chest should contain a bottle of Dr. Caldwell's Syrup Pepsin, a compound of Egyptian senna with pepsin and palatable aromatics, a prescription written 30 years ago by Dr. W. B. Caldwell, who practiced medicine 47 years. You can buy a bottle in any

store where medicines are sold, and the cost is less than a cent a dose. We guarantee that if you will give Dr. Caldwell's Syrup Pepsin to a child or for a few nights to an adult it will relieve any case of constipation no matter how chronic, or your money will be refunded.

10 Million Bottles a Year.

Use it once and you will never again take coal-tar drugs in candy form, calomel or salts. Dr. Caldwell's Syrup Pepsin is a vegetable laxative free from opiates and narcotics. It can be safely given to infants, yet it effectively moves the bowels of adults. It acts gently; does not cramp or gripe. Keep it in the house and use it for any indication of bowel obstruction such as constipation, biliousness, torpid liver, dyspepsia, pimples and like skin eruptions. Give it early and it will break up a fever or a cold overnight. A spoonful proves it.

If You Want to Try It Free Before Buying... "Syrup Pepsin," 517 Washington St., Monticello, Illinois.

Gleaming Electricware For The Thanksgiving Table

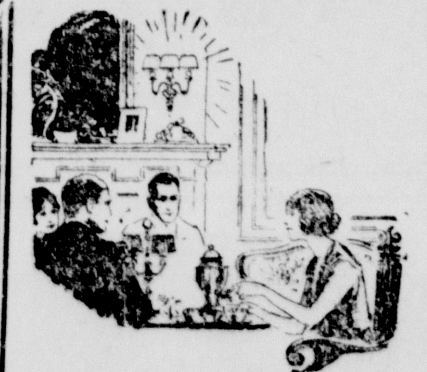

The coming of this genial feast suggests the addition of new dining appointments, because good food tastes so much better when served at the well-appointed table.

Begin this festive day with waffles and honey—prepared at the table. Then at the feast, add to the pleasure of after-dinner coffee, by serving it from a gleaming new electric percolator set. For the late informal supper, an electric grill will assemble all sorts of left-over dainties into a delectable dish.

Sensational Grid Season Fast Drawing To A Close

The final curtain for the drama of football, season of 1923, is fast descending on the participants in this year's success, the greatest of all gridiron years. Some of the acts of that show can be recorded as farces and some as tragedies, many melodramas and some as comedies.

Yale is the champion of the Big Three, and with Cornell and West Virginia stands at the top of the heap surveying its victims. Out our way Illinois and Michigan are clinched on the throne, neither having been defeated. Center seems to be the choice in the south while on the far Pacific coast California clinched for the fourth year the championship of the west when it took Stanford into the west. Here in Ohio Wooster and Wesleyan are tied for honors.

It has been a season of surprises and upsets. In attendance figures it was a year without compare. Illinois, California, Wittenberg and Vanderbilt dedicated mammoth new stadiums. Another Harley, namely Red Grange, was developed in the west. Another Casey, Plann of Cornell, came to light in the east. Levi soared in Indian eyes as greater than Thorpe.

Last Saturday all Western Conference teams hung up the moosekins until next September's initial practice. Campaigns are already being planned for season 1924.

After the beating West Virginia administered to St. Louis Notre Dame should have no trouble Thursday in disposing of that team and finish another great season, somewhat dimmed by the Nebraska game, Marquette college, playing a banner season, will invade the east to meet Vermont.

In the east are many attractive games for the holiday. Pitt and Penn state meet at Pittsburgh, the Nittany Lions having the edge on the Panthers.

West Virginia, one of the three leaders of the east, plays W. & J. at home and is hoped to win, and end the season without defeat.

Farther east is the big game of the day, Cornell, the sensation of that section this year, meets an easy foe, Penn. at Philadelphia. Plann and company should readily dispose of the Quakers and retain its place among the three leaders, West Virginia and Yale being the others.

Two mediocre elevens, Columbia and Dartmouth, will clash at New York. The Big Green, which started the season with a bang, are but an echo now, but should beat Haughton's crew handily.

Saturday there are but two games in the east, Boston College and Holy Cross, and the Fordham-Georgetown game, mere trifles.

Back here in Ohio it will be quite hot on Thanksgiving speaking a la football. The Ohio wheel has certain games listed for Thursday that will be regular thrillers, many being of interest more as traditional battles.

Western Reserve, now standing 5-0, will add to its list by winning from Case in the annual Cleveland Classic A series that dates back many years. Case has had a terrible season and Canfield will probably will get the yellow slip.

At Alliance Salem fans can see Wooster and Mount tangle. This is always a great game whether or not to a man or Tremaine's ability.

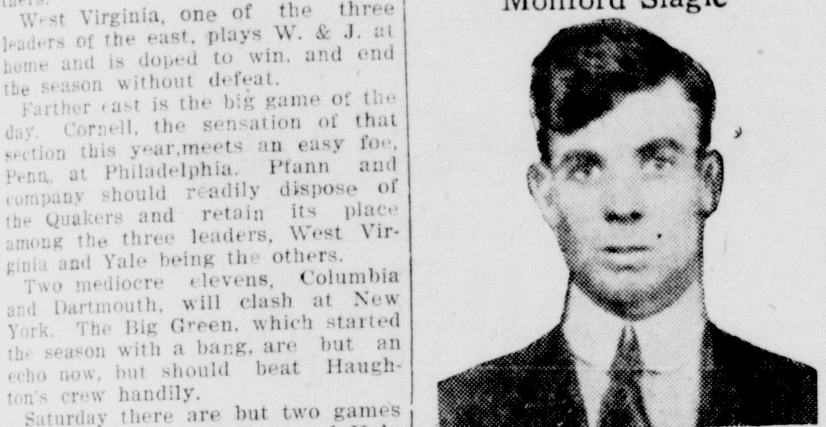

LISBON PLANNING ATTACK IN SALEM

Salem High started intensive work Monday for the Lisbon game scheduled for Thursday morning at Reilly field. Lisbon, the weak sister of the county, excepting Columbiana, should be easy for the Red and Black who will win in a walk, the dope says.

Although the game seems like a setup Coach Richtman is allowing no rest in the Salem camp. Over confidence has lost so many games that even a weak team like Lisbon cannot be trifled with.

Due to the continual dampness the struggle will no doubt be played in a sea of mud, thus giving the heavy Lisbon backs a chance to gain. This said that the county seat eleven is preparing a real attack to make a good showing at least, and that is enough warning to Lisbon's boys to get in the jump.

For Your Back and Kidneys You Will Have Vigorous Vitality if You Follow This Advice

Columbus, Ohio—"Dr. Pierce's Anuric (kidney and backache) Tablets are the best medicine I have ever taken for kidney disorders. My kidneys were congested and inactive, my back ached and was so sore I could not bear to touch it. In addition to my kidneys hurting, my bladder was very weak. I wrote to Dr. Pierce for advice and upon his advice I took the Anuric Tablets and the result was wonderful. I had taken Anuric only a very short time when I was rid of all my bladder weakness and my kidneys became active and normal. I do not suffer any more with my back. I would advise those who suffer with any kidney disorder or bladder trouble to take 'Anuric' without delay."—Monford Slagle, 447 W. Rish St.

Help your weakened kidneys by obtaining this "Anuric" (anti-uric acid) of Dr. Pierce's at your nearest drug store or send 10c for trial pkg. to Dr. Pierce's Invalids' Hotel in Buffalo, N. Y., or write for free medical advice.

New York, Nov. 27.—Boxing critics here were of the opinion today that Pancho Villa, the Filipino holder of the world's flyweight title, was taking a big chance in meeting Car. Tremaine of Cleveland, at catchweights on Thursday night. Villa's title is not in danger but many believe that his reputation may be affected by the result of his attempt to give away seven pounds or more to a man of Tremaine's ability.

CITY TITLE AT STAKE WHEN SCHAFERS MEET MULLINS TURKEY DAY

The city professional championship will be at stake Thanksgiving day afternoon when the Schafer Independents and the Mullins A. C. teams will meet on Reilly field at 3 p. m.

Perhaps not in the last five years has a Thanksgiving pro game attracted so much interest. Usually Salem sports but one team and then that team must meet an out of town rival.

But this year it will be different. Two local elevens with "blood in their eye" will meet in the battle of the season. One is heavier, one is lighter. But both are teams of high caliber and capable of playing fine football.

Due to their teamwork and experience this year the Schafers are expected to win. Mullins, a team organized in mid-season, has been going

This Store and its associate Stores throughout the United States, agree with the decision of the National Vigilance Committee, charged to create maximum public confidence in Advertising, that "a comparative price is a statement of fact," which must be determined by actual comparison or otherwise it is not always true in fact—"a comparative value is a statement of opinion," thus always being open to a question of doubt.

The actual worth of our goods is expressed by our prices and thus we do not name comparative prices or comparative values.

Rickenbacker

A CAR WORTHY OF ITS NAME

And Now--- Rolls-Royce!

A cablegram just received says:

"In the London Automobile Show, 80 British makes, 70 foreign
makes exhibited, of which 20 American. Fifteen of leading
British makes offer four-wheel brakes, including Rolls-Royce
large car, Lanchester, Daimler, Vauxhall, Crossley, Sunbeam."

Isn't that the irony of fate?

Rolls-Royce!—the name that has been the leaning post—the car that
has been Exhibit "A" in the propaganda to stem the tide of
4 Wheel Brakes!

Rolls-Royce now brings its product up to date.

At the recent Paris Automobile Show some example of Rickenbacker
advanced engineering was endorsed in every booth.

Many improvements pioneered by Rickenbacker—first seen in this
product—were shown in the highest priced cars.

4-Wheel Brake—100 per cent.

100 per cent of them were internal expanding type, too—and 99 per
cent mechanically operated.

Double fly wheels; Aid Cleaners; "Double Depth" Frame; Ball Bearing
steering; Disc Steel Wheels;—and 4-Wheel Brakes. All of these
features were pioneered by Rickenbacker.

Surely the Rickenbacker is the car you want. Drive the car that is
the last word in engineering refinements—drive the car that me-
chanically measures up to the finest European products—drive
the car that you can be justly proud of.

The M. E. Sunday school rally Sun-
day broke the old record of attend-
ance by two. The past record for at-
tendance was 160 but yesterday 162
were present. The event was fea-
tured with a special program.

Ed. Steer, Jr., Glen Slagle and Rus-
sell Oesch spent Sunday in Clevel-
and where they attended a ball
game.

Mrs. Elva Porter and children of
Youngstown were guests Sunday of
Mr. and Mrs. Samuel Grice.

Mr. and Mrs. James Primm and
Mrs. L. D. Redman and daughter
Jeanne of Salem and vicinity, were
guests of Mr. and Mrs. Thomas
Primm Sunday.

Charles Primm and Aldon Bye vis-
ited in Cleveland over the week end.
Mr. and Mrs. John Pitney of Am-
bridge, Pa., spent Sunday with Mr.
and Mrs. John Gibbs.

Mrs. John Pearce and daughter Al-
faretta, of Salem, visited friends and
relatives here Sunday.

Mrs. Laura Crew and daughter
Edith, were the guests of Mr. and
Mrs. W. K. Talbot, Sunday.

Mrs. A. C. Greenamyer who spent
the last several days in Canton the
guest of Mrs. G. Hewitt, returned
home Sunday night in company with
her husband and son Charles, who
had joined her in Canton Saturday
night.

The Junior class of the Damascus
High school completely surprised
Mrs. Ross, one of their teachers, Sat-
urday night upon her return from
Ashbridge school, where she had
been a judge at the Ashbridge school
fair, by assembling at her home in
company with Mr. and Mrs. C. G.
Long and Miss Margaret Koehler,
members of the school faculty. The
students had brought with them
provisions for a lunch which they
served at a late hour. Music and
games were diversions.

Miss Elizabeth Rakcy of Colerain is
spending a week here, the guest of
Mrs. Edwin Steer. She will spend
the winter in Salem. On Sunday
Mr. and Mrs. Alfred Stratton of Sa-
lem, visited with Miss Rakcy.

The Thanksgiving service will be
held at 9:30 a. m. Thursday at the
M. E. church. Rev. John Pennington
having the sermon. The service will
be presided over by Rev. D. B. Cope
pastor of the Methodist church.

Queer Probation Suit in India.

Twin babies of unequal size are the
starting point of a unique probation
suit. A rich Indian merchant, Dev-
karan Nanji, died leaving his fortune
to his male children, of which he had
several by his first wife. His second
wife, a young Indian woman of thirty,
gave birth to twins soon after her be-
reavement, while travelling in a train
from Bombay to Baroda. It was given
out that the twins were a boy and a
girl, and the widow immediately en-
tered a claim for a share of the for-
tune on behalf of her son. The ap-
parent difference in the ages of the
children, however, aroused suspicion
among the other heirs, and it is now
alleged that the woman exchanged one
of the twins, both of which were girls,
for a boy baby from a foundling asy-
lum. The case is in the courts.

RECORDS TO SHOW U. S. RESOURCES IN EVENT OF WAR

Washington, Nov. 27.—If the Unit-
ed States ever enters into another
war military officials of the govern-
ment will know just exactly where
they stand—at least so far as re-
sources are concerned.

Since the World war and the reor-
ganization of the army under Gen.
Pershing's plan every branch of the
service has conducted exhaustive in-
quiries into every phase of the coun-
try's resources—such as manpower,
food supply, transportation facilities
and every other factor that would en-
ter into the problem of national de-
fense in time of war.

This fact is shown by the annual
reports to the secretary of war by
the heads of the various military
branches, and especially by the re-
port of Maj. Gen. William H. Hart,
quartermaster general of the army.

This report outlines the transpor-
tation facilities of the country and
the transportation plan which would
be put into effect in time of emer-
gency.

Maps and plans have been de-
veloped in each corps area by of-
ficers of the quartermaster corps,
and these maps have been co-ordi-
nated and embodied in a single map
of the United States. This national
transport map primarily established a
definite plan for the development of
highway transportation for military
service, or in any serious emergency
and it also forms a basic plan for de-
veloping highway transportation in
commerce.

Furthermore it shows to what ex-
tent complete co-ordination of all
transportation facilities throughout
the country could be effected. Through
this plan the government could
control over all passenger and freight
movements and prevent the com-
plicating problems which arose over
transportation during the last war.

Commenting on the sale of surplus
property by the quartermaster corps
the report disclosed the fact that
the sale of War department real es-
tate has greatly increased during the
last fiscal year.

In all 119 sales were concluded,
which covered the disposal of sev-
eral large depots and cantonment
sites. The total amount derived from
these sales was \$2,458,580. The sale
of surplus war supplies, such as
clothing, bedding, tents and other ar-
ticles of a similar nature, is pro-
gressing satisfactorily, the report
said.
